For more information please contact the International Office.

COURSE SELECTION & WORKLOAD

The preliminary course selection is done before the start of each semester. The Incoming Mobility Coordinator will send a student the instruction on how to sign up for the preliminary chosen courses in the SmartWay system 4-10 weeks before the start of the semester. The first two weeks of each semester is the period when changes in the student's study plan are possible.

Exchange students normally take a workload of up to 30 ECTS per semester.

Note:

The HSE student academic load is based on 'academic hours':

- 1 academic hour = 40 minutes
- 1 credit = 38 academic hours

Total load is made up of contact hours and independent student work.

At the HSE, student learning is assessed exclusively through exams. Assessment results are evaluated on a 10-point or 5-point scale.
